- Emerging Leader of the Year (2019)
- Idaho DECA State President (2016 – 2017)
- 2 mission trips to Honduras (2012, 2013)
- Creator of the Post Falls Food Bank's website (2016)

PROFICIENCIES:

Programming Languages:

C, C++, C#, Python, SQL, HTML5, CSS, PHP

Web Technologies and Services:

Ignition Perspective, Ignition Vision, WordPress, MYSQL Server, MSSQL Server, Concrete 5, Unity

EDUCATION:

College, University of Idaho, Moscow
July 2017 – May 2021 (expected date)
90+ Community Service Hours

- Bachelor's in Computer Science in Progress
- Mathematics Minor in Progress
- Business Minor in Progress
- Entrepreneurship Certificate in Progress

College, SANS Technology Institute
September 2019 – December 2020 (expected date)

- Certificate in Incident Handling in Progress

CERTIFICATIONS:

- Ignition 8.0 Gold Certification (2019)
- GIAC Security Essentials Certification (2020)

Idaho Forest Group, Athol

Automation and Operations Technician Intern

May 2019 to August 2019

40 hrs. / week

- I created mobile HMIs that tracked the downtime in production across multiple industrial control systems using Microsoft SQL Server, Ignition SCADA 8.3, Python and Programmable Logic Control Units

Integrity Business Consulting, Coeur d'Alene

Graphic Designer Intern

July 2016 to December 2016

20 hrs. / week

- I was the Graphic Designer for a franchise broker out of Coeur d'Alene. I became familiar with PowerPoints, websites, Adobe Photoshop, and Illustrator. I attended community meetings and offered online marketing assistance.

Peacock Virtual Solutions, Post Falls

Supervisor of IT Network Connections

February 2014 to December 2016

15 hrs. / week

- I configured and managed the network for a VOIP Phone System through Allworx. This provided me knowledge and interest into networking, routing, and disaster recovery procedures.
